

Goodafternoon Senator Carney, Rep Moonen, and members of the Maine Judiciary Committee.

I am Sandra Goodman. I live in Houlton. I am here to oppose LD 1619 "an act to improve Maines reproductive privacy laws." which is sponsored by (Rep. Talbot Ross.)

I beleive that All lives matter. A baby not born yet is a life. It's murder at any stage of life. The fact is the Lord made us and he takes us away.
