

Senator Carney and Representative Moonen, Honorable Members of  
the Joint Standing Committee on Judiciary,

I am John Janelle. I live in Auburn, Maine. I am here to testify in opposition to LD 1619, "An act to improve Maine's reproductive privacy laws," which is sponsored by Rep. Talbot Ross.

This bill that allows the taking of a baby's life that can survive outside the womb at any time for any reason will make Maine's abortion laws among the most extreme in the nation. This bill is in opposition to the law of God and is immoral bringing pain, suffering, and death. Please do not allow legislation for the killing of the unborn at anytime for any reason. All of us were once in the womb and were given a chance to live. They were created to have life as we have life.

This bill is not good for the people of Maine. Thank you for your time today.  
Please join me by voting ought not to pass on LD 1619.
