

## Testimony in Opposition to LD 1619

Good afternoon Senator Carney, Representative Moonen and members of the Judiciary Committee. My name is Sue Gallant and I reside in Livermore Falls. I am writing today to present testimony in opposition to LD 1619, *An Act to Improve Maine's Reproductive Privacy Laws*.

I am asking you to oppose this legislation because I think every baby should have the right to life and this legislation allows for any reason and without accountability for taking the life of a child up until birth. Psalm 139:16, "Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be." The safest place for an unborn baby should be in their mother's womb.

Thank you for your time and consideration.

Sue Gallant
