

Senator Carney and Representative Moonen, Honorable Members of the Judiciary Committee. My name is Isaac Gendron and I'm the baby that was just spoken about.

Psalms 139:13-16

"For you created my inmost being, you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made. Your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth. Your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be."

I'm grateful that my family wouldn't consider abortion even for a second. It pains me to think that we would prioritize women's rights over the basic human right to life. Medical professionals are supposed to protect life, not end it.

Please vote ought not to pass. Thank you.
