

Maine Judiciary Committee Hearing, May 1, 2023

Senator Anne Carney, Representative Matt Moonen and Honorable members of the Joint Standing Committee on Judiciary, my name is Gregory Jackson, I live in Easton.

I am here to voice my opposition to LD 1619.

This is a morally, unconscionable law that will literally murder the life of a baby that has the right to live.

A historic King of Israel, David expresses his understanding of life to God, his creator in a Psalm he wrote, **Psalm 139:13,14- "You made all the delicate, inner parts of my body and knit me together in my mother's womb. Thank you for making me so wonderfully complex! Your workmanship is marvelous—and how well I know it."**

What King David knew, you know, I know, as a parent or grandparent, at the birth of your baby or a grandchild. The Life of the unborn is precious and delicate.

I appeal to you. Please vote "Ought NOT to Pass" say 'NO' to LD 1619. Save the Life of the unborn. Thank you.
