

Senator Carney, Representative Moonen, and Honorable Members of the Joint Standing Committee on Judiciary:

My name is Sybilla Pettingill, and I'm a resident of Hartford. I'm here to testify in opposition to LD 1619.

It doesn't seem like killing babies is a good solution for anything. Mothers can still choose how to deal with their unwanted pregnancy. There are a few options, but killing a human being shouldn't be one of them. Killing a human being is against the law.'

Please vote ought not to pass.
