

Senator Carney, Representative Moonen, and distinguished members of the Judiciary Committee.

My name is Ken Smith. I'm a resident of Jay Maine.

I am a devout Catholic and I come to oppose LD1619.

I can't believe that I am standing here today in front of you having to defend the life of a full-term human baby.

What Have We Become as people of this Civilized Nation.

thou shall not kill is the commandment of our God, it isn't a suggestion.

Only if it meets our greedy self-centered excuses.

We pride ourselves for being so advanced with all the technology, gadgets and the permissive lifestyle.

But if you pass a law that permits the killing of an infant, we are still criminals and only barbarians destined to be lost.
