

Good Afternoon

Senator Carney, Representative Moonen,  
and members of the Maine Judiciary  
committee I am Noel Valcho I live in  
(Houlton) I am here to oppose LD 1619  
("An Act to Improve Maine's Reproductive  
Privacy laws") which is sponsored by  
Rep. Talbot Ross.

The heart of the matter is

Keep your heart with all diligence for out of it are the  
issues of life. Proverbs 4:23

The first thing a baby sees is his mother's face and the  
first voice a baby hears is his mother's voice that he  
heard while in utero and others in his environment.  
Plus he has heard in utero his mother's heartbeat for  
the last nine months.

The life in the womb is so important that the  
Chinese for thousands of years have added 9  
months in the womb as a vital part of his  
life and age. I surely encourage you to vote  
"no" for passage on this bill before you.  
Will you choose life or death? A baby's life  
is irreplaceable and priceless! Baby's  
lives matter, every baby counts!  
Therefore choose the baby continued  
breath of life.
