Subject: Support LD 1735

This message originates from outside the Maine Legislature.

Hello esteemed legislators, my name is William Babbitt. I am contacting you today to support LD 1735. It is my belief that if a child, parent, and doctor all think that gender affirming care is necessary, then it should happen. A parent should not lose their child because they gave them what both the child and doctor said they needed. Please support this bill.

Sincerely,
William Babbitt
