

Senator Carney, Representative Moonen, and members of the Judiciary Committee.

Hello, My name is Lori Cloutier and I live in Richmond .

LD 1735. An Act to Safeguard Gender-affirming Health Care.”

Here we are again. Yet, another extreme bill that we here in Maine refuse to support. Why is it we are so hell bent on making Maine a safe haven for mothers to murder their child (LD 1619) and allow doctors fleeing from other states protection into possible violations of such laws.(todays bill LD 1735).

- \* This policy is unconstitutional.
- \* This bill would make Maine the most radical sanctuary state for gender surgeries not approved by parents.
- \*This bill legalizes and protects kidnapping in Maine.

It is unbelievable that adults would actually approve this. This is where America has come?  
It takes a lot of courage and strength to discern these recent bills being presented to you, I thank you for listening and urge you to oppose LD 1735.

This bill is inhumane strips parents of their constitutional rights, and endangers children.

The people of Maine support you,

Thank you .  
Lori Cloutier
