Senator Baldacci, Representative Meyer, and Members of the Joint Standing committee on Health and Human Services, my name is Henry Ingwersen and I proudly represent the people of Senate District 32 which includes Arundel, Biddeford, Dayton, Hollis and Lyman. I'm here today in support of LD 2036, *An Act to Remove the Exemption for Certain Roadside Springs from Regulation as Public Water Systems in the Laws Regarding Water for Human Consumption*. This is a clean-up bill required for Maine statute to comply with the federal Safe Drinking Water Act, and will have no fiscal or programmatic impact. Maine CDC will be available today to share more information and can take your questions now.
