

Joseph Baldacci
Senator, District 9

THE MAINE SENATE
131st Legislature

3 State House Station
Augusta, Maine 04333

Representative Meyer, fellow Committee members: I'm Senator Joe Baldacci, Chair of this Committee and as you know I represent the people of Senate District 9, including the City of Bangor and the town of Hermon. I am introducing to you LD 2037, *An Act to Align the Supplemental Nutrition Assistance Program with Federal Regulations*, on behalf of the Department of Health and Human Services.

This is a technical bill required to align Maine statute with federal guidelines, and will have no fiscal or programmatic impact. Ian Yaffe from The Office for Family Independence will share more information and can take any questions you may have. Thank you.
