Subject: LD 2014 - Follow-up on 1/17 Public Hearing

This message originates from outside the Maine Legislature.

Dear Chairs Supica and Hickman and Members of the Veterans and Legal Affairs Committee:

I wanted to briefly follow up with you and advise that I was signed up (via zoom) in general support of LD 2014. Interesting discussion on the first two bills before you. The third bill up, LD 2014, is important to my members and I submitted a Comment Letter via the portal.

Unfortunately, I had a previous conflict with fellow control state Idaho Division of Liquor (Mountain Time) this morning and, therefore, needed to drop from the VLA hearing before we got to LD 2014. Apologies for that but we look forward to another opportunity in the future. Thank you.
