My name is William Moody and today, it is my great privilege to bring to you a few words from a much more important person than Governor Mills. Today I bring you words from the Creator of the universe – “Word of God” who was born into a physical Human body. After his resurrection - after defeating Death, Hell and the Grave - when He payed for the sin of the world on a wooden cross, all authority in Heaven and on Earth was given to Him. He is now, “The Judge of the Living and the Dead”. The words I bring to you today are His decrees, not mine. You would be wise to listen carefully, as your eternal destiny hangs in the balance of your decisions and response to what is presented here today. This is what the King says to this committee, and to anyone else responsible for implementing this proposal.

*"If any of them offer their children as a sacrifice to Molech, they must be put to death. Lev 20:2*

*There are six things the LORD hates--hands that kill the innocent,  
a heart that plots evil, feet that race to do wrong, Prov. 6*

*Rescue those being led away to death; hold back those staggering toward slaughter.  
If you say, "But we knew nothing about this," does not he who weighs the heart perceive it?  
Does not he who guards your life know it? Will he not repay everyone according to what  
they have done? Prov 24:11,12*

*"See that you do not despise one of these little ones. Mt. 18:10*

*"You shall not murder. Ex. 20:13*

*This day I call the heavens and the earth as witnesses against you that I have set before you  
life and death, blessings and curses. Now choose life, so that you and your children may  
live Dt 30:19*

**There is a judge for the one who rejects me and does not accept my words; the  
very words I have spoken will condemn them at the last day.**

Respectfully submitted by:

William Moody, Waldoboro
