Subject: LD-780 - RESOLUTION, Proposing an Amendment to the Constitution of Maine to Protect Personal Reproductive Autonomy

This message originates from outside the Maine Legislature.

Testimony of Lynn M. Lombard

**AGAINST LD-780 –
RESOLUTION, Proposing an Amendment to the Constitution of Maine to Protect
Personal Reproductive Autonomy**

**To the Honorable Chair, Senator Anne Carney
To the Honorable Chair, Representative Matthew Moonen,
and to the other members of the Judiciary Committee:**

I oppose LD-780 because...

This bill would memorialize the right to an abortion to the Constitution of Maine. It would eliminate the ability for the Legislature to pass any law infringing on or restricting that right, and further expand abortion in Maine. This extreme abortion proposal would make Maine one of the most expansive abortion states in the country, allowing abortion at literally any point in the pregnancy.

Sincerely,

Lynn M. Lombard
