This message originates from outside the Maine Legislature.

Hello!

Just a short note to urge you to PLEASE support this bill. It IS necessary and gives towns the tools needed to enforce shoreland ordinances.

If it doesn't pass, say goodbye to the beautiful shorelines of Maine. Those who have moved here from out of state and bought homes on the water are destroying the shoreline for their HUGE mansion homes....well, MOST of them. I've seen it. Don't let this happen to the remaining shoreline. PLEASE give the municipalities the power to intervene and restrict permits at any time if there is a violation of shoreland ordinances.

Thank you!!!!
