MAINE COALITION AGAINST
SEXUAL ASSAULT

January 29, 2024

Senator Beebe-Center, Representative Salisbury, and Members of the Joint Standing Committee on Criminal Justice and Public Safety:

My name is Melissa Martin and I am submitting testimony today on behalf of the Maine Coalition Against Sexual Assault (MECASA), the organization which represents and serves Maine's sexual violence prevention and response programs as well as Maine's Children's Advocacy Centers. MECASA initiates and advocates for victim-centered public policy; provides expert training, technical assistance, and resources for providers and partners; and funds the service providers in your communities.

I am here today in support of **LD 2129, An Act to Establish a Statewide Sexual Assault Forensic Examination Kit Tracking System and Conduct an Inventory of Existing Forensic Examination Kits in the Possession of Law Enforcement**. Thank you to Representative Geiger, Senator Beebe-Center, Representative Ankeles, Crafts, Doudera, Gattine, Moriarty, Osher, Stover, and Senator Vitelli.

I am primarily here today to thank this Committee and Senator Rafferty to beginning the process of sexual assault kit reform in Maine with LD 1484 last session. Working with the SAFE Advisory Board and the Department of Public Safety allowed us to build on years of research done by the SAFE Advisory Board to begin the process of piloting a sexual assault kit inventory and tracking system in Maine.

I also want to thank Representative Geiger and the incredible group of cosponsors and experts who testified before me today for explaining their role in each step of the process from sexual assault forensic examination to criminal conviction.

The language of the Sponsor's Amendment represents countless hours of research, planning, discussion, and compromise from individuals in this room and many, many more people. We are hopeful that you will vote ought to pass on this important bill to allow us to continue the work of sexual assault kit reform in Maine. Thank you for your consideration.

About Maine's Sexual Assault Service Providers

One in five Mainers will experience sexual assault at some point in their lifetime.¹ Each year, 14,000 Mainers will experience sexual violence.²

Maine's sexual violence service providers provide free and confidential services across the state to victims/survivors of sexual harassment and sexual assault and those close to them, as well as to individuals who wish to increase their understanding of the issues. Just some of the services include a 24-hour statewide sexual assault helpline, crisis intervention and information, support groups, in-person accompaniment and advocacy through the medical and legal systems, and school- and community-based prevention education. Services are provided for a victim/survivor regardless of when they experienced sexual violence, and regardless of what type of sexual violence they experienced. Types of sexual violence include, but are not limited to, sexual harassment and gender-based bullying, child sexual abuse, elder sexual abuse, stalking, sex trafficking, and sexual violence within an intimate partner relationship.
