Did you know A Child does not know
right from wrong until they are 5-7
years old?

We as parents Guide, teach and love
our children.

Did you also know that teenagers
make dicisions with the AH-MEG-data
(Amygdala)?

The part of the brain that is
responsible for emotions & impulses.

They have yet to develop their
frontal Cortex.

This part of the brain is responsible
for reasoning, Helps us think

before we act, & discision making.

our Foster Care systems are already
over run, but you want to take
our children, if we the parents do
not support making that kind of
Life changing disision?

Their brains are not developed or
even Capable to make that
~~that~~ Life changing ~~event~~
drcision.

To Smoke, drink, and enter
a bar you must be 18.

yet Changing your Gender
"A Life changing event"

is ok before the age of 18?

with out parental permission,

Many that have gone through

Gender change, regret doing so.

I absolutley refuse this bill

LD 227,

Thank you for your time

and consideration.
