**This message originates from outside the Maine Legislature.**

To whom it may concern,  
As citizens of this State, we would like to strongly voice our concerns over this so-called "gender-affirming care bill (LD 227). A similar bill was recently put down by committee 12-0, the same thing should happen to this proposed bill. We concur with one of the state representatives who commented, "This legislation would make Maine the most anti-child, anti-family, and anti-science state in the nation." Please vote NO on this bill.  
Sincerely,  
Malcolm and Kathy Longenecker
