Subject: LD227

This message originates from outside the Maine Legislature.

Good day,
Committee members LD227 is not a health care reform bill.
It is the most anti family, anti child, anti science bill I've seen put forth in a long time.
Maine should not be the first state in this union to adopt this kind of policy.
Requesting a "ought not to vote" here.

Thank you
Rose Riggieri
Wells, Maine
