Subject: Ld227 An Act Regarding Health Care in the State

This message originates from outside the Maine Legislature.

Vote ought not to pass. "An Act Regarding Health Care in the State" could not be further than the truth.

Nope No passing this. Put it in the fire and burn it

Portion of-"Veni, Creator Spiritus"

Come, Holy Spirit, Creator blest,
and in our souls take up Thy rest;
come with Thy grace and heavenly aid
to fill the hearts which Thou hast made.

O comforter, to Thee we cry,
O heavenly gift of God Most High,
O fount of life and fire of love,
and sweet anointing from above.
