

**Testimony on  
L.D. 227, "An Act Regarding Health Care in the State"**

Health Coverage, Insurance, and Financial Services Committee  
Tuesday, March 5, 2024

Good afternoon, Senator Bailey, Representative Perry, and members of the Joint Standing Committee on Health Coverage, Insurance, and Financial Services:

my name is Sophia Libby, of Auburn, and I'm here to testify in opposition of L.D. 227.

I believe that parents should be able to make medical decisions for their children without input from the government or worrying about their kids getting kidnapped by the State of Maine. This is an attack on families everywhere in America. This is a terrible, immoral bill, and it affects young people, like me, everywhere.

Please vote no on L.D. 227. Thank you for your time.
