

Committee on Health Coverage, Insurance, and Financial Services

I would like to speak against LD 227

To the Committee Chair and members of the Committee:

Thank you for hearing my views on bill LD 227. I sincerely hope that you all keep an open mind as you listen to my views on this bill, and the views of others of like mind.

I don't need to tell you what is in this ungodly piece of legislation. You have crafted this bill and know exactly what you are doing in attempting to rip the rights of parents away from them and give them to people who care nothing for the long-term well-being of their children.

Parents are the best ones to guide their children in matters of gender confusion and whether or not to seek an abortion for a difficult pregnancy. It is none of the state's business what these parents decide! It is none of YOUR business! You are not God. You have neither the wisdom nor integrity to rob caring parents of their RIGHT to take care of their own children.

I vehemently oppose LD227. And I urge you to stand up, do the right thing and vote NO on LD227!

Thank you again for listening to my views.
