Testimony of Heidi Dunn

Against LD 227

“An Act Regarding Health Care in the State”

Senator Bailey, Representative Perry, and members of the Joint Standing Committee on Health Coverage, Insurance, and Financial Services, my name is Heidi Dunn and I oppose LD 227. I live in New Gloucester. Thank you for the opportunity to address the Committee.

I was just a child, couldn't you see?

Why did you allow this to happen to me?

Our parents said no, but it didn't matter,
All their parental rights were about to shatter.

We're made in the image of God, no one told us,
Male and female for a specific plan and purpose.

Instead the experts had us all confused,
They said go to Maine where you will be schmoozed.

There they call it gender-affirming care,
It sounds so good, we're completely unaware.

I hope you can live with our horror-filled cries,
You allowed us to be harmed promoting un-scientific lies.

Now we are mutilated and maimed,
But you had to play your political games.

You could have stopped this from happening to me.
I was just a child, couldn't you see?

LD 227 is a heinous bill,
One that should make all of us ill.

Thank you. Please oppose LD 227.
