

Senator Bailey, Representative Perry, & Members of the  
Legislative Health Coverage, Insurance & Financial Services  
Committee

My name is Lynn Marie Meagher, I live in Starks, Maine and I  
oppose LD 227.

Plain and Simple

LD 227 Ought Not To Pass

As Human Beings we should be all about helping people be  
better, NOT about destroying people.

We should NOT be paying people to confuse other people  
(babies, children or adults).

I urge you to vote Ought Not To Pass.
