### *Testimony of Rep. Tiffany Roberts presenting*

**LD 2265, An Act to Implement Recommendations Resulting from the State Government Evaluation Act Review of the Department of Professional and Financial Regulation Before the Joint Standing Committee on Innovation, Development, Economic Advancement and Business**

Good morning, Senator Curry and esteemed colleagues on the Innovation, Development, Economic Advancement and Business Committee. My name is Tiffany Roberts, and I represent House District 149 and the communities of North Berwick and South Berwick. I am here before you today to present *LD 2265, An Act to Implement Recommendations Resulting from the State Government Evaluation Act Review of the Department of Professional and Financial Regulation*.

On January 30, the Department of Professional and Financial Regulation presented its GEA report to the Committee and on February 27 we held a work session to discuss the report, hear from the Commissioner, and make our recommendations. At that time, the committee unanimously voted to move forward with the recommendations set forth in LD 2265.

The DPFRC Commissioner is here to testify on this bill and so while I am happy to answer any questions, I recommend that you hold those questions for the Commissioner.
