Subject: Support for gun safety bills

This message originates from outside the Maine Legislature.

Dear Senator Carney and other distinguished members of the Joint Committee on Judiciary, I am writing to express my strong support for LD 2224 and LD 2238, along with the other recently proposed legislation to address the plague of gun violence in Maine. As I'm sure you know, these measures are endorsed by most Mainers, including the majority of gun owners. Thank you for your efforts to address this crucial problem.
