Senator Carney, Representative Moonen, members of the Judiciary Committee, my name is Gregory Hunnewell from Belgrade and I am here today to testify in opposition of LD 2283 “An Act to Enact the Crisis Intervention Order Act to Protect the Safety of the Public”.

All this law would do is allow the confiscation of a person’s firearms **TOTALLY WITHOUT DUE PROCESS**, and infringe on our right to keep and bear arms afforded to us under ( Article 1, Section 16 ) of the Maine Constitution.

We already have a Yellow Flag Law in effect and in the case of the shooting in Lewiston the process was not completed and resulted in an unimaginable tragedy.

This Bill seems to me to be a blatant attempt of an end around of the legislative process to push this unwanted legislation through with limited attention from those of us that oppose this and all anti-gun legislation. Therefore I ask that you all oppose this at every level of the process, and vote ought not to pass,

And I thank for your time.
