*Testimony of Representative Suzanne Salisbury in support of*  
**LD 100, An Act to Increase the Expenditure Limit for the Informal  
Bidding Process for the Selection of Professional, Architectural and  
Engineer Services**

*Before the Joint Standing Committee on State and Local Government*

Senator Baldacci and distinguished members of the Joint Standing Committee on State and Local Government, I am Representative Sue Salisbury and I represent House District 128, which includes part of Westbrook. I am pleased to sponsor **LD 100, An Act to Increase the Expenditure Limit for the Informal Bidding Process for the Selection of Professional, Architectural and Engineer Services** on behalf of the Department of Administrative and Financial Services.

The intent of LD 100 is to adjust a statutory threshold for inflation during the informal bidding process for the selection of professional, architect and engineer services by the Department.

Representatives from the Department of Administrative and Financial Services are present to explain the bill in full, so I will defer to them. Thank you for your time and your consideration.
