RE: Legislation designating the Town of Standish Veterans Memorial Bridge

Dear Senator Benjamin Chipman:

The Standish Town Council is pleased to submit this letter of support for legislation to designate the Sebago Lake Road Crossing on Route 35 in Standish as the Town of Standish Veterans Memorial Bridge.

The Town of Standish would be grateful to recognize the bravery and sacrifices of our veterans who have protected our freedom by having this bridge renamed to honor them.

The Standish Town Council urges the Committee to support this legislation so that Sebago Lake Road Crossing (MDOT Bridge # 3907) can be renamed the Town of Standish Veterans Memorial Bridge, in honor of our veterans.

Sincerely,

Brandon Watson

Standish Town Council, Chair
