September 20, 2019 was the last time I saw my beautiful then 15 yo daughter. Her friends stepmother groomed her to believe she was born in the wrong body. This woman is a Portland Maine Prudential Financial Advisor. I am disabled with IIH. The woman chose to hire council PortCityLegal to file paperwork to take my only girl. Alfred Court Judge Chabot, just gave her away without a whim. Mills nominated him to a higher court and then Attorney Houde replaced Chabot as judge and the case went even more south. I was to be in charge of her health care decisions, but that stopped when RD decided South Berwick was too far to drive to see my daughters DR of 15yrs. RD also had a PFA placed on me and my mother as we three were all very close, yet she did not place a pfa on my father, both of my parents live in ILLINOIS.. RD did not want my boys, just my sweet girl. Before my daughter was taken in 2019, I had a full fledge DHHS Jeopardy petition in Biddeford District Court, but Houde and RD with her council made it so DHHS had NO SAY in this matter as ALL 3 of my children should have been affected, but again RD DID NOT WANT PUBLIC ATTENTION OR TWO YOUNG BOYS!!

I had so much going on, I was struggling with a DV divorce, foreclosure, and lost the clutch on my tC. I was struggling in every aspect. I wasn't allowed to see my only daughter graduate HS, not even celebrate her sweet 16.. ALL BECAUSE A NONRELATIVE WOMAN DECIDED TO STEAL MY DAUGHTER WITH TRANSGENDER LIES THAT DO NOT EQUATE TRUTH!! and then tried DOXXING me with threats of sueing me if I told ANYONE what RD had done.. I DID TALK ABOUT MY COLIBRIANNA RUTHANN!! SHE IS MY GIRL, RD WASN'T THERE TO MAIM THE BOOGEYMAN OR THERE WHEN SHE HAD A PSALTER FRACTURE OF HER LEFT SHIN.. She missed seeing her 16yo mastiff pit pass away.. I do not wish any of this debauchery on parents.. Only by the Grace of TMH has my mind been sheltered from this atrocity..
