Testimony  
In Support of

### **LD 939 An Act to Increase the Maximum Permissible Size of Recreational Campfires**

Good Afternoon Senator Talbot Ross and Rep. Pluecker and Members of the Joint Standing Committee on Agriculture, Conservation and Forestry. I am State Representative Caldwell Jackson of District 80 representing the towns of Oxford, Otisfield, Buckfield and Hebron. I am here to support **LD 939 An Act to Increase the Maximum Permissible Size of Recreational Campfires.**

The present law states that a recreational campfire must be no greater than 36 inches in diameter. I would like to amend Sec. 4. 12 MRSA §9324, sub-§9 is to read: Under Recreational campfires: A person who kindles or uses a recreational campfire, other than a licensed camping facility, may not allow the recreational campfire to exceed 42 inches in diameter on the ground at the base of the fire or 42 inches in height.
