*Before the Agriculture, Conservation and Forestry Committee*

Senator Talbot-Ross, Representative Pluecker and distinguished members of the Agriculture, Conservation and Forestry Committee, my name is Jim Dill, and I represent House District 26 and the communities of Bradley, Old Town and Penobscot Nation Voting District. I am here before you today to present **LD 402**, An Act to Move the Natural Areas Program from the Department of Agriculture, Conservation and Forestry to the Department of Inland Fisheries and Wildlife and to Amend the Law Governing Administration of the Bureau of Resource Management Within the Department of Inland Fisheries and Wildlife.

Basically, the title of the bill says it all. The bill deals with the housekeeping details of moving MNAP to IFW and to amend the appropriate law dealing with the administration. I'm sure there will be others behind me to testify to the specifics of the bill.

I'd be happy to not answer any questions, thank you.
