TESTIMONY IN SUPPORT OF:

**LD 864 "An Act to Allow the Use of Transporter Plates for Transporting Campers
or Motor Homes"**

THE JOINT STANDING COMMITTEE TRANSPORTATION

SPONSORED BY: Representative Cray from Palmyra

Good afternoon, Senator Nangle, Representative Crafts and members of the Joint Standing Committee on Transportation. I am Representative Dean Cray representing Canaan, Detroit, Hartland, St. Albans, and Palmyra. I am here today to introduce a constituent bill **LD 864**, "An Act to Allow the Use of Transporter Plates for Transporting Campers or Motor Homes."

The intent of this bill is to allow the movement of campers and motorhomes for the purpose selling and repairing using transport plates. Transport plates are currently used for the moving of heavy trailers but does not allow for the moving of travel trailers or motorhomes. To move such things requires an individual to go to the municipality to get a plate for each unit. This means if one were to bring three campers to a shop for repair in the same day, currently you would have to go to the town office and acquire three separate plates even if you had a transport plate for heavy trailers.

I have testimony from Steven Philbrick who is the constituent who requested this bill for you to read. He could not be here today because he is working but I would appreciate you taking the time to familiarize his testimony. I will try and answer any questions and will be here for the work session.

Thank you for your time.

Sincerely,

A handwritten signature in cursive script that reads "Dean A. Cray".

Dean A. Cray
State Representative
