Testimony of Rep. Sharon Frost introducing
**LD 285, Resolve, Directing the Department of Transportation to Amend Its
Rules Regarding Seasonal Load Restrictions on Certain State and State Aid
Highways**
Before the Joint Standing Committee on Transportation

Good morning, Senator Nangle, Representative Crafts and esteemed colleagues of the Transportation Committee. I apologize that I cannot be with you today, and I extend my sincere thanks to Representative Ray for speaking on my behalf this morning.

I introduced this bill after conversations with a constituent. However, in conversations with DOT staff and my constituent over the last two weeks, we have determined that this bill is no longer necessary.

I request that you vote "Ought Not to Pass" on LD 285.

Thank you for your time and attention.
