Subject: LD#1106 An Act to Provide for the Redevelopment pf the island Nursing Home in Hancock County into Affordable Senior Housing

This message originates from outside the Maine Legislature.

Dear Housing and Economic Development Committee,

I live on Deer Isle and there is nowhere for seniors to go anywhere near here when they are at a point where they can no longer live alone. The Island Nursing Home would be able to fill that vacuum if it could be repurposed into senior housing. It would provide a much needed option for residents of Brooksville, Brooklin, Sedgewick, Sargentville, Penobscot as well as Blue Hill and Deer Isle. I hope you will support this project. It will mean a lot to the residents of Hancock County.

Thank you for your time and consideration of this Bill and hopefully for your support.
