Testimony of Representative Art Bell presenting ***LD 1747 “An Act to Repeal  
And Replace the Charter of the Yarmouth Water District”***.

Good afternoon chairs Senator Lawrence, Representative Sachs and colleagues of the Energy, Utilities and Technology Committee. My name is Art Bell, and I represent House District #103, Yarmouth.

The Yarmouth Water District Charter had not been updated in a number of years. On advice of and with help from counsel we reviewed and updated the Yarmouth Water District Charter to reflect current laws and new information.

That is the bill you see before you.

I urge the Committee to vote “OUGHT to PASS” for LD 1747.
