This message originates from outside the Maine Legislature.

My Name is Lindsey Burrill and my Family owns Brown House Properties located in Waterville, Maine. My Family lives in Belgrade, Maine and owns multiple residential rental units in the following communities: Waterville, Winslow, Fairfield, Benton, Canaan, Clinton, Skowhegan, China and Oakland.

We OPPOSE LD 1806 for multiple reasons, including the duplicative/Bureaucratic nature of a state wide registry, burdening good landlords in an effort to hold bad landlords accountable and in the end the costs will be passed to tenants via raised rents.

Thank you!
Lindsey
