Here we are again.

Surprised?

Why?

Our current Yellow Flag Law has been used successfully over 850 times since passage!

Our current yellow flag law provides:

- An easily understand protocol,
- Refined, easily applied solutions,
- Healthcare solutions to those in need,
- Due process,
- Law enforcement support,
- And works well in Maine

It is not out of state:

- Money,
- For out of state solutions,
- For states with high out of state crime rates,
- And endangers Law Enforcement
- Without Due Process!

Thank you.

Do not pass this misguided, dangerous bill!
