Milton F. Champion III – Executive Director
Gambling Control Unit
Department of Public Safety
January 14, 2026, 10:00 pm, Room 437, State House

Senator Hickman, Representative Supica and Distinguished Members of the Veterans and Legal Affairs Committee, I am Milton Champion, Executive Director of the Gambling Control Unit within the Department of Public Safety. I am here today on behalf of the Department of Public Safety to testify "Neither For or Against" LD 1902 which is An Act to Support Nonprofit Organizations by Authorizing the Operation of Electronic Lucky Seven Devices and Similar Sealed Ticket Games.

This bill will provide both organizations and the Unit with a better way to regulate and offer complete games, removing the human element to eliminate fraud and collusion with the operation of the sale of sealed tickets. This would not remove the authority to offer the sale of paper sealed tickets at fairs and other special events. This will require additional staffing to oversee shipments into and out of the state of Maine. Machines would have to be certified by an independent laboratory and verification by Unit staff so that machines will have a state seal accounting for devices at eligible organizations and Tribal entities.

Thank you for the opportunity to appear before the committee today, and I would be happy to answer any questions you may have at this time.

Respectfully
