Requirements**

*Before the Joint Standing Committee of Education and Cultural Affairs*

Members of the Joint Standing Committee on Education and Cultural Affairs: I am Representative Kelly Murphy, and today I am here to introduce a bill for the Department of Education, **LD 2020, An Act to Update Department of Education Reporting Requirements**.

This bill makes a series of changes to existing department reports to the Education and Cultural Affairs Committee to better align with data availability and programmatic realities. These changes have been recommended to the Committee in previous reports, and the intent of this bill is to enact those changes.

The Department of Education will present testimony on this bill, and I respectfully request that you defer any specific questions regarding the content to them. I look forward to working with you as the Committee deliberates the bill.

Thank you for your consideration of this bill.
