Transportation Committee
3 State House Station
Augusta, ME 04333

Dear Members of the Transportation Committee,

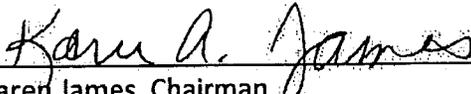

I am writing on behalf of the Town of Hiram to express our full support for replacing the sign on the bridge that spans the boundary between the Town of Hiram and the Town of Cornish, with a sign officially designating it as "Warrens Bridge".

This Bridge, originally constructed in 1929, has long served as an important link between our two communities and has undergone several upgrades. At one point, the bridge bore a sign identifying it as "Warrens Bridge", but that sign was removed and never replaced.

The Town of Hiram respectfully requests that the Transportation Committee support and authorize the replacement of a sign bearing the "Warrens Bridge" name.

We appreciate your consideration and stand ready to assist in any way necessary to help move this request forward.

Sincerely,

Karen James, Chairman
