Senator Joseph Martin
3 State House Station
Augusta, Maine 04333

Dear Senator Joseph Martin,

The Town of Roxbury Select Board would like to send this letter of support for the renaming the Frye Bridge located on the Frye Crossover Road in Roxbury to the 'The Roxbury/Frye Veterans Memorial Bridge' or something similar but to still include Frye in the name.

The Board feels at least adding the word 'veterans' into the name would help show support and appreciation for all veterans but also to those closest to the Town of Roxbury. Not only does the Board have family and friends that are veterans still living and some that have passed away but many Townspeople are veterans themselves. The designation would honor the sacrifices made by veterans from our community and across the nation, serving as a constant reminder of their courage and dedication. This memorial would be a testament to our profound gratitude for their service, offering a place of reflection and remembrance for residents and visitors alike.

Another important piece to this change is that Frye has always been a subsection in the Town of Roxbury, its historical notations are becoming less and less even though Frye is still a major landmark piece when talking about where in Town you are.

Thank you for your time and consideration of this important request.

Sincerely,

The Roxbury Select Board

Timothy Derouche
