

I am writing in support of LD 785 and sovereignty for the Indigenous tribes in Maine, and I ask that your committee vote ought to pass. It is a simple matter of being on the right side of history. This should have been passed a long time ago but today we have the chance to get this right. For these reasons, I urge this committee to vote "ought to pass" on LD 785, An Act to Enact the Remaining Recommendations of the Task Force on Changes to the Maine Indian Claims Settlement Implementing Act.
