**This message originates from outside the Maine Legislature.**

Dear Members of the Health Coverage, Insurance, and Financial Services Committee,

I'm writing as a licensed Maine Dentist to urge you to vote Ought NOT to Pass (ONTP) on LD 2206: An Act Expanding Access to Oral Health Care by Creating a New Path for Obtaining a License to Practice Dentistry.

I do not support internationally trained dentists practicing dentistry under an associate license as I believe all dentists need to be educated to uphold the same quality of care and health care standards regardless of the location in which they are practicing.

Please consider the safety of dental care for all Mainers and vote ONTP on LD 2206.

Thank you for your service.

Sincerely,

Amanda M. Rockwood DDS
