Subject: Please Vote Ought Not To Pass (ONTP) LD 2206: An Act Expanding Access to Oral Health Care by Creating a New Path for Obtaining a License to Practice Dentistry

Dear Members of the Health Coverage, Insurance, and Financial Services Committee,

I'm writing as a licensed Maine Denturist to urge you to vote Ought NOT to Pass (ONTP) on LD 2206: An Act Expanding Access to Oral Health Care by Creating a New Path for Obtaining a License to Practice Dentistry

We should all be on equal ground. We should not lower dental standards, safety or education to obtain dental licenses.

Please consider the safety of dental care for all Mainers and vote ONTP on LD 2206.

Thank you for your service.

Sincerely,

Gary L. Boudreau L.D.

Benton, Maine
