Good morning, Ms. Cayford. My name is Georgette moral, 619MERE Point Rd., Brunswick, ME. I have been a naturopathic patient of Sarah Ackerly for close to 50 years. She was my primary physician in the 80s. When I needed an antibiotic or a non-naturopathic medication I had to find a different doctor. It was cumbersome, expensive, and time-consuming.
I support the legislation to allow naturopathic doctors full prescribing powers. Respectfully, Georgette Morrell Sent from my iPhone
