Hello Ms. Cayford. I strongly support the rules in my subject line above.

Our daughter Rebecca Morrell has been a Naturopathic Doctor since 2016. She lives in Brunswick and works in Cumberland. She worked her first few years in Vermont where she was able to prescribe the same medications as MDs. Rebecca has helped a lot of people, and I know she would be able to help a lot more people if she is able to prescribe medications similar to what NDs can do in New Hampshire and Vermont.

I support the proposed rules. Thank you very much. Doug Morrell, Brunswick.
