READ.

Representative KORNFIELD of Bangor moved that the House **ACCEPT** the Majority **Ought Not to Pass** Report.

The SPEAKER: The Chair recognizes the Representative from Bridgton, Representative Ginzler.

Representative **GINZLER**: Thank you, Madam Speaker. I object to the motion on the floor for the following reasons. First of all, this bill was brought forth by the request of the committee. It contained initiatives that are currently in Section C of LD 390, the budget bill. I object to this motion because this bill proposes some excellent educational initiatives, such as the authority of the commissioner to expend and disburse funds to provide training, identification, and intervention services for children with autism; also, a competitive grant process to establish pilot programs that would benefit students in the STEM fields. Its fiscal note is already proposed in Section C of LD 390, the budget bill. I ask you to follow my light and oppose this measure. Thank you.

Representative ESPLING of New Gloucester **REQUESTED** a roll call on the motion to **ACCEPT** the Majority **Ought Not to Pass** Report.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.
