[PL 2009, c. 213, Pt. OO, §18 (AMD).]

2. Application and issuance. The commissioner, or an agent designated by the commissioner, may register and assign a registration number to a snowmobile upon application and payment of a fee by the owner. The commissioner shall charge a fee of \$1 in addition to the fee for each registration issued by an employee of the department. The registration number in the form of stickers issued by the commissioner must be clearly displayed on both sides of the snowmobile. 5. Antique snowmobile registration fee. A person who owns a snowmobile that is more than 25 years old and that is substantially maintained in original or restored condition may register that snowmobile under this subsection as an antique snowmobile. An antique snowmobile registration authorizes that snowmobile to be operated only for the purpose of traveling to, returning from and participating in an exhibition, parade or other event of interest to the public or for occasional personal use. The fee for an antique snowmobile registration is \$33. An antique snowmobile registration is valid until the ownership of that antique snowmobile is transferred to another person. 7. Snowmobiles of nonresidents; Maine-New Hampshire Cooperative Trails. Except as specifically provided in this subsection and notwithstanding any other provision of law, a snowmobile belonging to a nonresident may be possessed or operated by any person in this State as long as the snowmobile is properly registered in this State in the name of a nonresident owner of the snowmobile. Nothing in this subsection authorizes the operation of a snowmobile in a manner contrary to this chapter.

A. A nonresident is ineligible to obtain a resident registration for a snowmobile owned by that nonresident. Snowmobiles and grooming equipment registered to federal or state entities, snowmobile clubs, municipalities or counties from bordering states or provinces and engaged in trail grooming may be operated without being registered under this subsection. Snowmobiles registered in either New Hampshire or Canada may be operated on any lake or pond that is partly

in both the State and New Hampshire or Canada without being registered in the State. [PL 2005, c. 456, §1 (NEW).]

B. A snowmobile registered in this State or in New Hampshire may be operated without further registration requirements on those portions of the Maine-New Hampshire Cooperative Trails located in Maine. For purposes of this paragraph, "Maine-New Hampshire Cooperative Trails" means:

[PL 2005, c. 465, §1 (NEW).]

D. A snowmobile owned or under the control of a snowmobile manufacturer may be operated without a Maine registration at a demonstration event organized to occur in this State if such operation is approved by the commissioner. A snowmobile manufacturer or a representative of a snowmobile manufacturer must submit a request in writing to the commissioner at least 60 days prior to the demonstration event and shall include a description and the location of the event. [PL 2009, c. 184, §1 (NEW).]

E. The commissioner may annually establish one 3-consecutive-day period, 2 days of which are weekend days, during which a nonresident may operate in the State a snowmobile that is not registered in this State if the nonresident's snowmobile has a valid registration from another state or a Canadian province and if the nonresident has submitted notification under paragraph F. [PL 2019, c. 207, §1 (AMD); PL 2019, c. 207, §4 (AFF).]

F. The commissioner shall establish an online notification process to promote seasonal nonresident snowmobile registration opportunities to nonresident snowmobile operators and to promote general snowmobile recreational activities in the State through regional state tourism organizations and a statewide organization with an interest in snowmobiling. The process must allow a nonresident who plans to operate in this State during the 3-consecutive-day period under paragraph E a snowmobile that is not registered in this State to provide information to the department using an electronic form accessible through the department's publicly accessible website. The commissioner may not require a fee to submit the electronic form. The electronic form must:

- (1) Briefly describe the purpose of this process and clearly indicate that the notification process is free;
- (2) Request the nonresident snowmobile operator's name, address, telephone number and e-mail address and the location or locations where the nonresident plans to operate the snowmobile during the 3-consecutive-day period under paragraph E; and
- (3) Include a statement that by submitting the electronic form the person named on the electronic form authorizes the commissioner to share the information on the electronic form with the Department of Economic and Community Development, Office of Tourism after the end of the 3-consecutive-day period under paragraph E for purposes of promoting seasonal nonresident snowmobile registration opportunities to nonresident snowmobile operators and promoting general snowmobile recreational activities in the State through regional state tourism organizations and a statewide organization with an interest in snowmobiling.

The commissioner shall share the information collected on the electronic form under this paragraph with the Department of Economic and Community Development, Office of Tourism annually after the end of the 3-consecutive-day period under paragraph E for purposes of promoting seasonal nonresident snowmobile registration opportunities to nonresident snowmobile operators and promoting general snowmobile recreational opportunities in the State through regional state tourism organizations and a statewide organization with an interest in snowmobiling.

Notwithstanding any other provisions of law, failure to comply with this paragraph is not a violation of any law or rule administered by the department. Nothing in this paragraph relieves a person of the person's responsibilities under any law or rule regulating the ownership or operation of a snowmobile in the State. [PL 2019, c. 207, §2 (NEW); PL 2019, c. 207, §4 (AFF).]

The commissioner shall adopt rules regarding the grooming and maintenance of the Maine-New Hampshire Cooperative Trails and reimbursement or payment for those services. The rules must allow reimbursement for grooming and maintenance services to be through direct cash payments by users of the Maine-New Hampshire Cooperative Trails or through in-kind services. The costs of grooming and maintenance must be based on the average per mile costs to Maine and New Hampshire of providing these services. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2005, c. 12, Pt. III, §42 (AMD).]

B. Whenever ownership is transferred or the use of a snowmobile for which a registration has already been issued is discontinued, the old registration must be properly signed and executed by the owner showing that the ownership of the snowmobile has been transferred or its use discontinued and returned to the commissioner within 10 days of the transfer or discontinuance of use. [PL 2021, c. 130, §3 (AMD).]

[PL 2017, c. 164, §26 (AMD).]

C. A snowmobile may be operated on any portion of a public way when the public way has been closed in accordance with Title 23, section 2953. [PL 2003, c. 655, Pt. B, §394 (NEW); PL 2003, c. 655, Pt. B, §422 (AFF).]
